## **LAW ENFORCEMENT OFFICERS STANDARDS AND TRAINING ACT**

The Law Enforcement Officers Standards and Training Act contained in SDCL 23-3 became effective October 1, 1971. All law enforcement officers were “grandfathered” if they were employed as such on October 1, 1971. The Law Enforcement Officers Standards and Training Commission was created and given the power to promulgate rules, require submission of reports by law enforcement agencies, establish minimum curriculum, approve training programs, and perform other administrative functions.

The Commission was also given the power to administer grants, establish training programs, reimburse expenses to officers, and set qualifications of law enforcement officers.

The Division of Criminal Investigation was designated to coordinate and administer the law enforcement training program, and to operate the Law Enforcement Training Center.

## **ETHICS STATEMENT**

The Criminal Justice Center advocates a strong standard of ethical conduct by trainees that attend the Basic Certification Course. Your conduct reflects on you and the profession you have chosen to enter, therefore when faced with an ethical dilemma you should ask yourself the following “*ETHICAL DILEMMA TESTS*”:

### **The Bell**

Does your proposed course of action ring a bell in your head that you are doing the wrong thing? If it does then, DON'T DO IT!

### **The Book**

Is your proposed course of action in conflict with your Oath, the Law, or your Department's General Orders or Rules and Regulations? If you know it to be contrary to the 'book' then, DON'T DO IT!

### **The Candle**

Ask yourself if your action will stand the light of day. Would you be proud to see yourself on TV or to have your mother/father, son/daughter, husband/wife, sister/brother, standing next to you while you were doing what you were doing? If you can't answer with an unequivocal yes then, DON'T DO IT!

# Law Enforcement Oath of Honor

*On my honor, I will never betray my badge, my integrity, my character or the public trust.*

*I will always have the courage to hold myself and others accountable for our actions.*

*I will always uphold the constitution, my community, and the agency I serve.*

International Association of Chiefs of Police
